

Project Design Phase-II

Data Flow Diagram & User Stories

Date	04 NOV 2023
Team ID	NM2023TMID08696
Project Name	Project- How to create brand name, brand mail and brand logo in Canvas

Data Flow Diagrams:

Creating a data flow diagram (DFD) for a process like "How to create a brand name, brand mail, and brand logo in Canvas" can help you understand the flow of information and activities involved in the process. In this case, I'll provide a high-level DFD for this process. Keep in mind that DFDs can be more detailed, but this will give you an overview of the key components and their interactions.

Example: [\(Simplified\)](#)
